

I respectfully protest Sinclair Broadcasting's decision that their stations air an anti-Kerry documentary just days before the election. This is reprehensible and it is a clear example of the dangers of media consolidation.

sinclair uses the public airwaves free of charge, and is obligated by law to serve the public interest. Control of the airwaves by the hands of the few is not what we need - nor should it be allowed - in our democracy.

sinclair's actions show why we need to strengthen media ownership rules, not weaken them.

Thank you,
Mary Gunn
